

Town of Windsor

Memorandum

December 11, 2012

TO: The Honorable Mayor and Town Council

FROM: Michael Stallings, Town Manager *MS*

SUBJECT: Food Vender License

At the last Council meeting Council heard from a citizen that wished to open a mobile hot dog stand in Windsor. After some discussion regarding the existing peddler's license, I was directed to create a food vender license. As such, I have attached a proposed changed to the existing peddler's license section of our Town Code.

If this language is acceptable, it will be advertised for a public hearing at the January meeting.

This is for Council's discussion.
