

Town of Windsor

Memorandum

December 10, 2024

TO: The Honorable Mayor and Town Council

FROM: William G. Saunders, IV, Town Manager WGSTV

SUBJECT: Spring Cleanup Days – Special Residential Refuse Pick Ups

Background

In the last two years, the Town Council voted to use the Refuse Control and Recycling Grant Funds to initiate special residential refuse pick-ups.

Specifics

The Town received \$2,840 for FY25 from the Department of Environmental Quality's Refuse Control and Recycling Grant Funds, should the Town Council want to fund Clean Up Days again this year.

Due to the transfer station only being open until noon on Saturdays, two dates would be required to cover the town. Bay Disposal has the first two Saturdays in April available (April 5th and April 12th) and the Town would be billed \$1750 for each pick up day; for a total of \$3,500. This would leave \$660 required from the Residential Refuse Collection line item of the General Fund.

Should the Council want to move forward with this, the routes would be separated by water billing areas; informational flyers would be included with the January and February water bills.

Those that receive a water bill in January would participate in the pick-up on Saturday, April 5th and those that receive a water bill in February would participate in the Saturday, April 12th pick-up.

These pick-ups would only be for residential addresses that are currently serviced by Bay Disposal; businesses, or residences that are served by dumpsters, do not qualify.

Enclosures

Proposed Special Refuse Pickup Flyers

Recommendation

For Council's consideration

SPRING CLEANUP CAMPAIGN

TOWN OF WINDSOR 2025 SPRING CLEAN UP DAYS

The Town of Windsor is partnering with Bay Disposal to offer free pick-up service for your old furniture, appliances, tv's, stereos, carpets, and lawn maintenance equipment such as lawnmowers, weed eaters, etc.
